# About Us

Tala Kuate Brokerage connects industries with premium natural raw materials producers. We focus on essential oils, medicinal plants, and agricultural products from Africa.

We promote ethical sourcing, full traceability, and sustainability. Our approach builds mutually beneficial partnerships that create value for both producers and buyers.

Rooted in nature. Committed to wellbeing. We deliver trusted ingredients for the cosmetics, nutraceutical, perfumery, and wellness sectors.

# About Our Products

We connect you to high-quality natural ingredients sourced directly from Africa.

Our portfolio includes:

- Essential oils – GC-MS tested, suitable for cosmetics, wellness, and perfumery.
- Medicinal plants – bark, roots, and seeds for herbal and pharmaceutical use.
- Spices – vanilla, clove, ginger, black and Penja pepper.

All products are traceable, lab-verified, and available in bulk or custom formats.

# Best Seller Spices

**Wild pepper-Voatsiperifery**  
(*Piper borbonense*)

Native to Madagascar's rainforests, Voatsiperifery is a rare wild pepper prized for its complex notes of citrus, wood, and floral spice.

Revered by top chefs and perfumers, it ranks among the world's most exclusive peppers.

A unique ingredient for high-end nutraceuticals and refined aromatic formulations.

**Cloves**  
(*Syzygium aromaticum*)

Harvested in Madagascar, our clove is among the world's most potent, with a eugenol content exceeding 85%.

Its intense, warm-spicy aroma and powerful antioxidant profile make it a top-tier ingredient for therapeutic nutraceuticals and complex perfume bases.

A staple in premium spice and aromatic formulations.

**Penja Pepper**  
(*Piper nigrum*)

Hailed as one of the world's finest peppers, Penja Pepper from Cameroon is the first African spice to earn a Protected Geographical Indication (PGI).

Grown in rich volcanic soil, it offers a rare balance of heat, depth, and minerality.

Its unique terroir and aroma make it a premium choice in haute gastronomy, nutraceuticals, and fine fragrance.

**Bourbon Vanilla**  
(*Vanilla planifolia*)

Sourced from Madagascar, our Bourbon Vanilla is available in Red, TK, and Gourmet grades, meeting both US and EU standards.

Renowned for its rich, creamy profile and high vanillin content, it is a benchmark in global vanilla quality.

Ideal for premium nutraceuticals, gourmet applications, and natural fragrance creations.
